Mission Statement

The mission of ABC Charity is to assist in the protection and recovery of missing, abused, and neglected children.

Dear Friends,

One of the joys of preparing an annual report is that it gives us a chance to look back and to be thankful for all that has been accomplished. The past year was filled with both opportunities and challenges. Some highlights were:

- Assisted in the recovery of 450 missing children**
- Developed and implemented a “Child ID” program in partnership with local police authorities to help identify missing children**
- Created a new afterschool program at a local community center to provide afternoon activities for neglected children**
- Produced and aired a series of public service announcements to enhance community awareness of child abuse and child neglect issues**
